Meravia CAA
Civil Aviation House, Harbour Road, Port Meravia

ADVISORY CIRCULARS · AC 91-003

Landing performance on wet and contaminated runways

Issue 2 · 8 April 2026

Guidance on dispatch and in-flight landing distance assessment.

> An advisory circular sets out how the Authority expects a requirement to be met. It is guidance and not a regulation: an operator may meet the requirement another way, having satisfied the Authority that the alternative is at least as effective.

Issued by Meravia CAA. +210 21 440 100 · oversight@meraviacaa.example
This sheet is the Authority's record of a published document. It is not the document's full text, which is held by the office named above.
